<リスニング問題原稿>

第1部

No. 1

The weather forecast says that you should take your umbrella with you today. It will be sunny in the morning, but the weather will be rainy in the afternoon. How will today's weather be?

No. 2

I might make you sick. You can drive me. I live in the water. What am I?

No. 3

My son usually walks for 15 minutes to the bus stop near our house. He gets on a bus at 2:45 there. What time does he leave home?

No. 4

Look at this picture. We took it when I was a baby. Really cute, right? My parents, brother and sister all look very happy. My grandparents said that they also wanted to be in the picture. Which picture is she talking about?

No. 5

Let's decide when we'll have the birthday plan for dad. His birthday is February 16, but he is busy on weekdays. So let's have it on weekends. How about next Sunday, two days before his real birthday? When will they have the birthday party?

No. 6

You are at the Midori station now. You want to go to the post office. To get there, turn right at the traffic light to the north of the station. Turn left at the first corner and go straight for two blocks. Turn right there and go straight again. Then, you'll find it on your left. Which is the post office?

第2部

No. 7

A group of people from Sweden study dolphins. They want to understand the animals. They record the sounds from 11 dolphins. Then they use a special item to check the sounds. It is very difficult, but we may be able to understand the dolphins with it. They hope that one day they will be able to communicate with dolphins!
